

CoastFest Markets

Market Stall Applications Forms for our 2008 Festival are still available

Our CoastFest markets will be bigger and better this year, over 90 stalls including quality arts, crafts and goods that have low environmental impact.

[General Market Stall Application Form](#)

We also have "World Food stalls" and will be encouraging the use of recyclable or bio degradable packaging.

[Food & Beverage Market Stall Application Form](#)

Stalls are also available for environmental and community groups or Not for Profit organisations.

[Not for Profit & Information Stall Application Form](#)

This year we also have opportunities specifically for healing Tribe practitioners with special booth spaces available in our Theatre of Well-being. Download a form or email heal@coastfest.org.au for more information.
